

Inspired by **Grayson Perry's ART CLUB** - we would like you to create a **PORTRAIT** out of found materials.

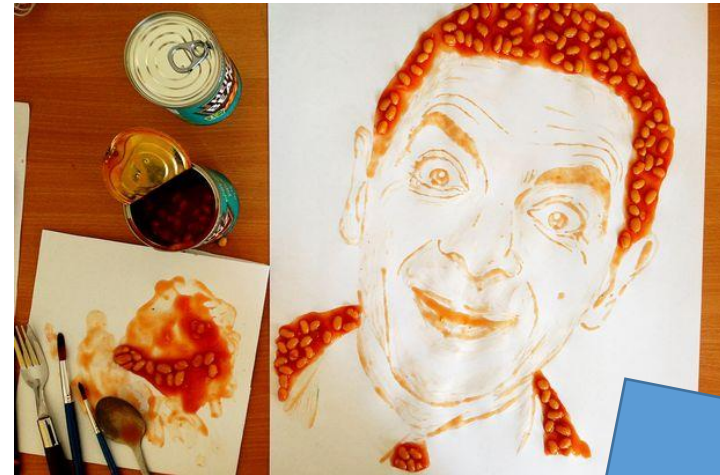

- You have 2 weeks to create your piece.
- It can be any size and on any surface.
- Be as creative as you wish, it could be food, nature, objects....?!
- Your subject can be yourself, a family member, your favourite celebrity, or even a member of the CEA team - it's entirely up to you!

This is an opportunity to **PLAY** and **HAVE FUN** with Art. Please email your finished pieces to your teacher.
